**LOT 40 - Vintage Wooden Side Table with Magazine Rack**

**Description**

See photos for condition.

This charming vintage wooden side table features a built-in magazine rack, combining functionality and style. The table is crafted from solid wood with a warm finish, showing minor signs of wear that add to its character. It is sturdy and perfect for use in a living room, bedroom, or reading nook. The magazine rack offers convenient storage for your favorite periodicals or books. Approximately 21" X13" X 18"

**Quantity:** 1
